That is because we are in spanish emersion. We do more spanish then anyone else in the school. I am japanese american. My parents are from Japan. Oh i forgot, our school is Lincoln Elementary School. And you can look up our school on google earth. The address is 1111 S. Grove. I also forgot that one i am not a very good speller but anyways i have one sister and one brother. They are both in high school. I have two cats named tootsie and eni. I like GVC so far. I did GVC when i was in third grade when it was only for 5th graders. Are you in a challenge program thing? What kind of animals do you like. I like birds, cats, dogs, wolfs, lions, tigers, and etc... So baceutly i like all animals. Do you have a lot of friends?
